Dear NASA Community

I am pleased to announce that Lauren Rizzo has joined the NASA Management Team as our Office Coordinator. She brings with her over 6 years of experience in the Metals Industry. I believe Lauren's personality, work ethic, experience, and positive attitude make her the perfect fit for our co-op.

Lauren's responsibilities include all administrative functions, meeting planning assistance, and she will serve as Board Secretary. She will work out of our Des Plaines, IL office.

Please join me in welcoming Lauren to the NASA Community.
